

I want money. I have high TC. I get big compensation. I advance in my career. I have many business opportunity. I am senior employee. I have many reports. I have big package. I am important. I fly on private jet. I party with model. I go to prestigious school. I have piece of paper with school logo. You can see I am important? You can see I have big package?

lol you got laid off from an ad company after spending half your life chasing stuff made up by other men. you sought status instead of skill. you are a loser. [get the fuck out.](#)
